

BUSINESS STRUCTURES INFORMATION SHEET

BUSINESS HOW-TOS & CHECKLISTS

File updated: October 4, 2016

Before registering your business, you should consider the different options available to you. From a legal point of view, there are three common types of businesses: Sole Proprietorship, Partnership, and Corporation. Each structure has different and important implications for liability, taxation, and succession.

Download the Business Structures Information Sheet today and find out the advantages and disadvantages of each structure, to help you choose the right path for your business.

Need Help?

Check out Small Business BC's Registration Services and Advisory Services and find out how one of our Business Advisors can help you today.

Alternatively take a look at our seminars and workshops available in-person at our downtown Vancouver resource centre or via video conference across BC.
