Earning LATAM Pass Miles

Rewards Program Agreement: For more information about the LATAM Airlines World Elite Mastercard rewards program, view the latest [Rewards Program Agreement](#) available at [cardless.com](#).

How you can earn Miles: You will earn LATAM Pass Miles on Eligible Purchases of products and services, minus returns, refunds or disputed charges, made with a LATAM Airlines World Elite Mastercard by you or an authorized user of the Account. Buying products and services with your card, in most cases, will count as an Eligible Purchase; however, the following types of transactions will not count and will not earn Miles: balance transfers, cash advances and other cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, crypto-currency transactions, any checks that access your Account, interest, unauthorized or fraudulent charges, and fees of any kind, including an annual fee, if applicable. You will earn **1 Mile** for each \$1 spent on Eligible Purchases. You will earn a total of **2 Miles** for each \$1 spent on Eligible Purchases at restaurants. You may not get additional Miles for purchases at a restaurant located within another establishment (e.g. a restaurant located inside a hotel, casino, or event venue) or for purchases made through third-party food delivery services including mobile app delivery services. For example, purchases made at a restaurant located within a hotel may be recognized as a purchase at a hotel, not a restaurant. Cardholders will not earn additional Miles for purchases at bars, nightclubs, coffee shops, and convenience stores. You will earn a total of **2 Miles** for each \$1 spent on Eligible Purchases charged for ground transportation services which include taxis, trains, and subways. You will not earn additional Miles for purchases made at rental car companies. You will earn a total of **3 Miles** for each \$1 spent of Eligible Purchases charged directly with LATAM Airlines Group S.A. Please note that on-board

or in-flight purchases are processed through a third-party and do not earn 3x Miles. Those purchases will earn 1 Mile for each \$1. Miles are rounded down to the nearest dollar (for example, a \$45.85 Eligible Purchase would earn 45 Miles).

Information about earning/transferring Miles to LATAM: Miles earned during a billing cycle are generally transferred to LATAM after the end of each billing cycle but may take up to 12 weeks after the close of the billing cycle. **Losing Miles:** You will immediately lose all Miles that have not been transferred to LATAM if your card account status changes, or your card account is closed for program misuse, fraudulent activities, failure to pay, bankruptcy or other reasons described in the terms of the Rewards Program Agreement. For more details, refer to the Rewards Program Agreement.

Rewards Categories: Merchants who accept Mastercard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Mastercard procedures based on the kinds of products and services they primarily sell. We group similar merchant codes into categories (merchant category codes) for purposes of making rewards offers to you. Please note: We make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant or some of the items that it sells may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant will not qualify for rewards offers on purchases in that category. Purchases submitted by you, an authorized user, or the merchant through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that rewards category.
