

## 2020 Tuition and Levies

As an accredited **ISASA (Independent Schools Association of SA)**, **Cambridge International** and registered **DBE (Department of Basic Education)** Nova Pioneer school we are excited to share our offering with you. We provide a world-class **Cambridge International Education** that encourages students to be confident leaders as well as competent innovators.

We do however have to strike a balance between the continuous quality delivery of our unique academic model as well as affordability for our Novaneer families. The fees are determined by school costs and priorities while recognizing economic challenges.

We are pleased to announce that we have managed to contain the tuition cost increase to **7.7% for 2020**. This excludes all other levies and costs, which are determined separately and itemised below. Levy increases vary per item as there is a reliance on external service providers.

While we are cognizant of the economic pressures that families face, we have noted that fee increases of comparable schools in the region are averaging around 10%, and we have taken great efforts to ensure that we are able to keep our costs down while ensuring that we are able to continue to deliver excellence across our schools and for each of our students.

- Fees are payable based on the payment plan selected at the start of each academic year:
  - Annual plan:** payable by no later than 7 January 2020
  - Termly plan:** payable no later than the first day of each and every term
  - Monthly plan:** payable in advance by the first day of each month from January to November, inclusive, by debit order. *(Please contact the finance team on [finance.northriding@novapioneer.com](mailto:finance.northriding@novapioneer.com) for a debit order form).*
- Payment reference using the account number
  - Those responsible for account payments are requested to use the account number as the payment reference - **this is the 5 digit account number** that will be allocated to each account in 2020 and can be found on the top right corner of your fees statement. Payments made without the account code cause administrative delays in updating your account and unfortunately incorrectly referenced payments will be charged an admin fee of R100.
- Other charges
  - Interest on all overdue accounts will be charged monthly on any outstanding balances at a rate of 1% per month from the payment due date.
  - We encourage payments to be via EFT or debit order in the case of monthly payers, as payments made via cash deposits and card machines attract bank charges, which will need to be billed to the parent's account.
- Notice period
  - One full term's notice, in writing to the School Leader, is required before withdrawing a student from the school.
